### CRITERION I – CURRICULAR ASPECTS

#### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Being an affiliated college, the institution follows the curriculum designed by the parent University (Dr Babasaheb Ambedkar Marathwada University, Aurangabad). The revision and up gradation of the syllabus is done at the university level. The institution has adopted the following mechanism for well planned curriculum delivery and documentation. For effective curriculum delivery semester wise annual teaching plan is prepared in the beginning of the academic year by all the faculty of all the departments of the institution. General time table for all the departments are prepared by the time table committee and all departments collectively decide the time schedule. Every Department prepares individual timetable i.e. faculty member wise, subject wise and the course content is communicated to the students through notice board, college website. Teachers keep the record of their teaching in their Daily Teaching Diary which investigated /monitored by HOD's and Principal time to time. Overall Student's progress is monitored through oral and written tests. Apart from University examinations continuous internal evaluation of the students is done. Through C.I.E. department wise slow learners and advanced learners are identified. These slow learners and advanced learners are guided properly by the departmental faculties. The record of the slow learners and advanced learner is kept department wise. Apart from traditional teaching methods video lectures, OHP, PowerPoint presentations, projects etc. are being conducted for the students. Thus the faculty also makes use of ICT enabled teaching and learning process for effective curriculum delivery. The students are encouraged to participate in all programs and activities conducted by various departments of the institute so as to make to make them acquire the

general knowledge of all the disciplines. Computers are made available for the students with Wi-Fi facility for their studies. The students of the of the institute are also encouraged to participate in National Service Scheme and other social activities so as to inculcate in them an aptitude for social work. ### 7.2 – Best Practices

#### 7.2.1 – Describe at least two institutional best practices

**Best Practice I** Title of the practice: Interdisciplinary knowledge programmes  
Goal : To acquaint the students to the knowledge of all disciplines and make them versatile. Context: The world has become global village. It is necessary for the students to have the knowledge of all fields. In this era of competition the knowledge of one field is not sufficient. Practice: Various interdisciplinary certificate courses and programmes are conducted by the institution every year. The students of all the disciplines available in the college are allowed to participate in such programmes and courses. For example , in the certificate courses run by the department of English ,Music, Home Science,etc. the students from any discipline are allowed to participate. In any programmes conducted by any department of the college, the students of any

discipline can participate. Evidence of success: Various interdisciplinary certificate courses conducted by the institution. The students attend programmes and activities conducted by the departments of all disciplines. It is observed that the interest and the knowledge of the students regarding other fields is increased. Problems encountered and Resources Required: Initially the students were not aware of the importance of all round knowledge. But after some time they knew the importance of interdisciplinary knowledge. The resources required : The resource required is the teaching staff of various disciplines. Availability of halls Projector, etc.. BEST PRACTICE: II Title of the Practice : Hi tech office job and facilities Goal: Quick availability of records and official facilities The context: Office is the soul of any institution. The maintenance of the record is an important aspect, which is an effective mean of quick communication. In today's fast changing world the quick availability of the record plays important role for the students and for the administrative work. This purpose is served by the use of latest technological inventions. The Practice: Office is fully computerized with 5 software. It has the facilities like generators, inverters, three phase power connections, 2 metres so that electricity is all time available. It is planned with Principals office. It has internet, intercom facility and CCTV covered for surveillance. Office has ABCD document system, separate sections with separate cabins and windows with rules and regulations displayed regarding admission process, scholarship, exam etc.. Online admission process is followed by our official staff. There is online generation of hall tickets to the students. The results of exams can be seen by the students online.
