ARTA & COMMERCE COLLEGE PARLI-VAIJNATH, DIST.BEED

ICT SKILLS

Higher education systems have grown exponentially in the last few decades to meet the demands of quality education for all and the last two decades has witnessed the inclusion of ICTs for innovative teaching. Though it is a challenge to holistically integrate the technology in the management and delivery of learning programmes it has become absolutely necessary. It significantly contributes to good quality education and leads to improved student learning and better teaching methods. The introduction of ICTs in the college has had profound implications in the teaching process especially in dealing with key issues of access, equity, management, efficiency, pedagogy and quality. Every faculty is provided with a Samsung Tab and the class rooms have the necessary ICT required infrastructure for optimal usage of the ICT tools

Now a days, ICT based Teaching & Learning Process and Administration plays a vital role in college/Institute, in order to improve students learning, teaching method and administration. Due to advancement in ICT technology, it is proved that an increase in students exposure to education ICT through curriculum integration has a significant and positive impact on students achievements and in respect of administration it speed up the working process due to automation and easy to maintain the records. To synchronize the current scenario of education system, College adopts the ICT base technology and implement it in class room, laboratories and office.

The committee member of ICT are in charge of ICT Room and they monitor the requirements of ICT infrastructure. Committee provides the ICT facility as per demand of staff and Students and also solves the technical problem regarding electrical and electronics equipment used in ICT teaching learning. Committee organizes ICT based workshop and awareness program for students and staff.

College established ICT Cell Steering Committee to supervise the ICT utilization in curriculum activity and provide the goods regarding ICT based as per demands by ICT Cell Committee.

Internet

We have dedicated Internet Leased line connected to all the terminals throughout the Campus. Students and faculty are free to access internet. This helps the students and staff to search and communicate the information.

Multimedia center open for all college students

In this center one computer instructor is appointed for assistance to the students who are not aware of ICT (Digital culture and Digital Literacy). Since the start of multimedia center, college

noticed that this center found very helpful to students and students are aware of MS Office, how to search the information on internet, creating mail ID and accessing social media sites.

English Communication Lab:

English department understand that due to semi urban area and nearby ruler area, many students are form the non English medium school, so department took step to create the awareness of English language importance in education system, public & private sector and make them fluent in English. Department train the students in respect of their pronunciation, grammar, Vocabulary building, speaking skill , essay writing and personality development etc. Students form other department of any stream are also welcome for this training. Department noticed that student enjoy the training in playful environment and got good response from them.

Lab. constitute 30 computer, LCD projector, Audio system, Camcorder, Projector Screen, head phone and microphone.

Office Administration

College is always trying to synchronous the advancement in technology. Therefore college purchased various software to speed up the working process, to maintain the record digitally, to reduce man power, easily data sorting, to reduce the paper work, to retrieve the students and office data in a single click.

College Management System(CMS)

College purchased the CMS software which is used for students admission purpose and maintain the official record securely. Software is used for office management including accounting, admission data, Identity Card, Library Card, Fee Collection, Scholarship, Transfer Certificate, Bona fide / Character / Attempt Certificate, etc.

Library Management System (Lib.Man)

College library is very vast and it is very difficult to manage book with old manual system. To make it easy college has Lib. Man. Software which is very helpful for students and staffs.

The college provides the e-library facility, INFLIBNET, e-Shodh Sindhu, e-Shodh Ganga e-resources and N-LIST to access e-resources and e-journals.
