**MOST URGENT/IMPORTANT**

To:

The Principal of Colleges

**SUBJECT: ESTABLISHMENT OF RESEARCH AND DEVELOPMENT CELL IN COLLEGES.**

Kindly refer to the earlier Communications regarding establishment of Research and Development Cell in Colleges. As per the information, many colleges have not taken necessary action in this regard, so far. Further, it has come to the notice that few colleges have established Research and Development Cell with different nomenclature which needs to be corrected. Please note that the nomenclature of the Cell should be "Research and Development Cell" as per the UGC Guidelines available on the UGC website: [www.ugc.ac.in](http://www.ugc.ac.in).

It is important to mention here that the establishment of Research and Development Cell in Colleges is a part of NEP 2020 Implementation and hence, it requires immediate attention of the Principal of College.

All the Principal of Colleges are requested to take action for the establishment of Research and Development Cell in their Colleges, as per the UGC guidelines, immediately and upload the information in this regard on UGC's University Activity Monitoring Portal (UAMP): [www.uamp.ac.in](http://www.uamp.ac.in).

It may be treated as "Most Important/ Urgent". If Research & Development Cell has already been established in your college please ignore this communication.
