Parli Vaijnath Dist. Beed**

**7.1.2 Policy Document on the Green Campus**

Navgan Shikshan Sanstha Rajuri's Arts and Commerce College, Parli Vaijnath Dist. Beed undertakes friendly Green and Environmental practices for promoting sustainable and eco-friendly conservation of healthy and maintainable environment in the campus to endure solutions to environmental needs of mankind.

**Objectives:**

1. Environmental protection.
2. Environmental sustainability.
3. Rain water harvesting.
4. Maintaining fresh and green campus.

The Institute believes that everyone has to work out to implement green campus initiatives. There should be a strategy to develop a clean and green campus. The students and the staffs of the institute will work to make the campus friendly environment.

**Following are the strategies of the institute for Green Campus.**

1. The institute will try to undertake **Green Campus** initiatives throughout the year.
2. The institute will also endure **Green Audit**.
3. The institution will undertake the programs of **Sapling Plantation** every year. If necessary, the institution will seek help of nearby village and other Non-Governmental institutions for sapling plantation.

4. **Campus Cleaning** will be given importance, consequently; cleanliness drive will be undertaken in the vicinity of the institution.
5. The institution will undertake **Water Conservation Programs**. Through this program, the institution will build Rain Water Harvesting to save and conserve rain water.
6. The institute will properly manage Solid and Liquid Waste.
7. The institute will promote **Save Electricity** guidelines inside and outside of the campus. To save the consumption of electricity, the institution will make more use of LED bulbs. The institute will encourage the staff and the students to activate power management features on computer and monitor, so that, it will go into a low power "sleep" mode when not working on it. The institute will also encourage the users of computers to turn off monitor if they leave the table. The institute will encourage the staff and the students to turn off unnecessary lights and use daylight. The fans will be used only if they are needed.
8. The institute will try to make **Plastic Free Campus**.
9. The institute will **restrict entry of automobiles/ Vehicles** in the campus. Every Saturday will be observed as '**No Vehicle Day**'.

Hence, the institute will create awareness among the students regarding Green Campus initiatives.
