### **About the Department**

The department in the college got established in 1993. The department is also aimed to enable the students to have an understanding of the various issues of the Indian Economy and to equip them with core values needed to live as a responsible citizen in a complex democratic society. The department is also aimed at imparting Knowledge and skill to develop economic theories to real life situation. In all the three years of under graduation, economics is offered at optional level. Various aspects related to Indian economy are covered in all the three years.

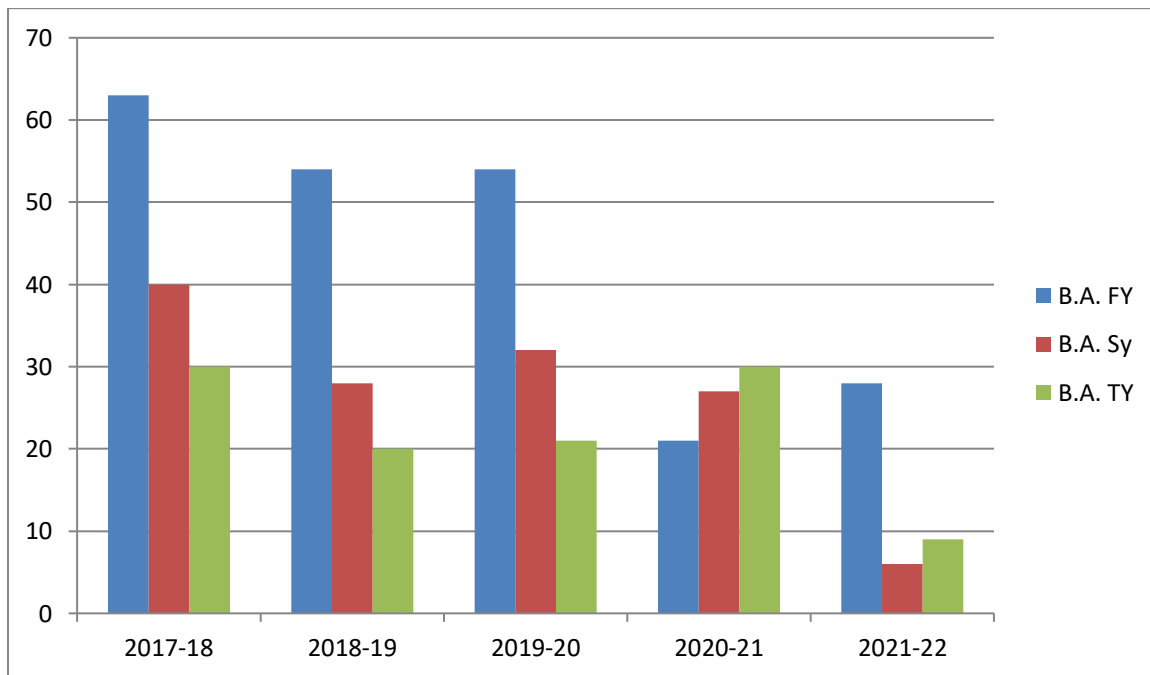

Date of Establishment: - 1993

#### Mission:

The mission of Department of Economics is to achieve excellence in the teaching of graduate students and the generation of new knowledge through research.

#### Goal

To provide excellent education in the basics of Economics to our graduates.

### Objectives:

- 1.Introduced the students to the basic principles of micro economic theory.
- 2.To introduce the student's behaviour of consumer, producer in Economy, Price determination in market and also factor pricing
- 3.How to micro economic concepts can be applied to analyse real life situations.
- 4Introduced the students to the basic principles of micro economics.

### Preface:

Department of Economics is one the important subject in the today's world. Along with the Science & Technology, Literature and Languages, there is a need of economics as well, which supports and satisfy the needs of all other branches of academics. Studied of economics is helping in policy formulation for betterment of the society. In changing and dynamic environment it became indispensable to understand and study the effect of globalization on the social system and the foreseeable challenges arising from the social, political, cultural and economic conditions. Economics not only create awareness among the generation about rising problems in society, of society and for society but also provide the solution to the problems.

## Faculty Members on Professional Bodies and Their Contributions

### Dr Chavan Manik Haribhau

- Head, Dept. of Economics  
(from 25/09/2021 up to till Now)
- Worked as criteria Member for College Unit in NAAC Re-Accreditation Process.
- Published over 11 research papers and contributed through National and International Level Journals.
- Life Member of Marathi Economics Council.
- Life Member of Marathwada Economics Council.
- Life Member of akhil Bhartiya natya parishad.

### Support services

- Syllabi and Academic counselling
- Career Guidance & personality development
- Guidelines for competitive exam.

### SWOC Analysis of the Department: Economics :

#### Strength

- Department organizes several student centered curricular, co-curricular, extra-curricular and extension activities for their professional grooming.
- Big contribution of students in College Gatherings, NSS activities, College magazine contribution, etc.
- Good number of books in College library.
- Fully qualified faculty for UG

#### Weakness:

- Less of students' participation from rural area in dept. events due to time limits.
- Need of more teaching faculty in proportion students' enrolment.
- Lack of separate ICT class for organizing lectures and events.

**Opportunity:**

- Chances to develop a training and placement centre or finishing school to increase rate of employment.

**Challenges:**

- Rural intake of students fails to respond dept. activities.
- Increase in drop outs at final year degree since marriage becomes a hurdle.
- Need of increase in ICT for all classes

**Future Plans of the Department:**

- To concentrate upon introducing skill development courses
- To get associated/ clubbed with national/ international universities/ agencies
- To increase students' participation at institutional and social responsibilities
- To enable students, strengthen their placement competency.
- To help rural students avail more job opportunities.
- To start PG in Economics.
