Introduction of the Department

One of the world famous twelve jyotirlingas, in the world know city, Parli-Vaijnath in the year 1993, the college and the Dept. of History started. The work of this dept. is really great in the honour of the college. In the department students are supposed as god. The department develops the students, intellectual, economical, educational, social as well as cultural through the moral teaching of the department.

The college faced many a problems as it is established in rural and hilly area. The enrollment of students was very poor in the beginning but through the consistent effort of the department now there are good number of students. By the skilful guidance of the professors of the dept. students gain the knowledge of related to history. The importance of history in human lives is told to the students in the classroom. In short it increased the interest of the students in history and it help to raise the enrollment.

The students of history are inspired by various methods. Newspapers, magazines are used to make students know historical events. Great personalities and their thought from history, social worker, their movements are very important for the nation, and keeping in mind this view, the department always tries to make the students.

History is related to human lives, the department guided the student in their practical lives, through developing their personality, social awareness organized in the classroom to attract the students towards history department students are given the information of various problem of our society such as casteism gender etc. They are guided how to solve these problems. The faith from the history are turned into blind-faith. The department always tries to eradicate this blind faith. The department always tries to solve the minor problems that occur in society e.g. women empowerment, dowry system, widow, feminism, the movements tribes farmers. The impact of globalization on

society and problem resulted from globalization are explained to the students. The department tries to make the students aware of this problems. The student of history know the past, experience the present so they could profit the future student select history as a subject in various competitive exams.

The students of history have opportunities in various fields such as education, media, guide, researcher, police, etc.

From the very beginning of college the department organizes various programs students are always encouraged for research work. Many of the students are topper in the exam. 23. Strength :

- 1) After the study of the subject of history, the students become aware of the social problems. The students take initiatives in social works.
- 2) The study of history creates the feeling of National integration among the students.
- 3) The Department of History organizes departmental seminars and lectures of eminent personalities. The department of History has a very experienced teaching faculty.

24. Weakness :-

- 1) The students of the Department of History being from rural area, they remain uninterested in Higher education.
- 2) Marathwada region is draught pronged region, it affects the students from farmer community.
- 3) The Department of History requires more reference Books.
- 4) There is no enough furniture in the department of English.

25. Opportunities :

- 1) The students of the department of History work as social worker and political leaders.
- 2) The study of History decreases the feeling of discrimination and helps to establish equality in society.
- 3) The study of our subject helps to eradicate social blind faith and helps to give scientific outlook to the students.
- 4) The study of History provides and inculcates the social values like sex and cast equality.
- 5) The study of the subject is valuable from competitive examinations point of view.
- 6) Every academic year, we organize visit of the Historical places to increase the knowledge and quality enhancement of the student.

26. Challenges :

- 1) Our college being situated in rural area, the knowledge of history happens to be weaker.
- 2) Preparing Research Project by the students.
- 3) To enable the students to face different competitive exams.
- 4) To help students from rural area by giving knowledge of history.

27. Future Plans :

- To organize historical tours.
- To visit historical places for study and achieve knowledge of history.
- To organize lectures and speeches of eminent scholars.
- To inspire students for higher education.
- To make proposal for minor / major research project.
