Report on Website Development Training Program

Event Name: Website Development Training Program
Date: 5th March 2024
Time: 10:00 AM
Venue: BAC Department Seminar Hall

The BAC Department successfully organized a **Website Development Training Program** for students on the 5th of March, 2024, at 10:00 AM. The training aimed to enhance students' technical skills and equip them with the knowledge required to design and develop websites.

The session was conducted by industry experts, who introduced participants to various aspects of website development, including HTML, CSS, JavaScript, and responsive design techniques. Students were also given a hands-on opportunity to build a basic webpage during the workshop, ensuring a practical learning experience.

The event witnessed active participation from over 80 students, who engaged enthusiastically in discussions and activities. The feedback from the participants was overwhelmingly positive, with many expressing their eagerness to explore advanced web development topics in the future.

The BAC Department extends its gratitude to the faculty members, organizing committee, and student volunteers who contributed to the program's success.

Report on Seminar: "AI in Healthcare"

Organized by the BCA Department, Navgan College, Parli Vaijnath
Date: 4th March 2024
Participants: 50 Students

The BCA Department of Navgan College, Parli Vaijnath, organized an insightful seminar on the topic *"AI in Healthcare"* on 4th March 2024. The seminar aimed to explore the transformative role of Artificial Intelligence (AI) in revolutionizing the healthcare industry and to inspire students to understand the technological advancements driving this change.

Seminar Highlights:

1. **Welcome Address:**
   The session commenced with a warm welcome by the Head of the BCA Department, who emphasized the significance of AI in the modern era and its potential to address pressing challenges in healthcare.

2. **Keynote Speaker's Presentation:**
   A detailed presentation was delivered by the invited speaker, an expert in AI applications, highlighting:

   o The role of AI in diagnostics, treatment planning, and personalized medicine.

   o Real-life examples of AI-powered tools such as wearable health monitors, robotic surgeries, and predictive analytics for disease prevention.

   o Ethical considerations and challenges in implementing AI in healthcare systems.

3. **Interactive Session:**
   The seminar included an engaging Q&A session where participants actively discussed AI-driven innovations like chatbots for mental health support, AI in drug discovery, and the integration of AI with existing healthcare infrastructures.

4. **Student Participation:**
   The 50 participants showed keen interest and shared their perspectives on the future of AI in addressing healthcare inequalities and improving accessibility in rural areas.
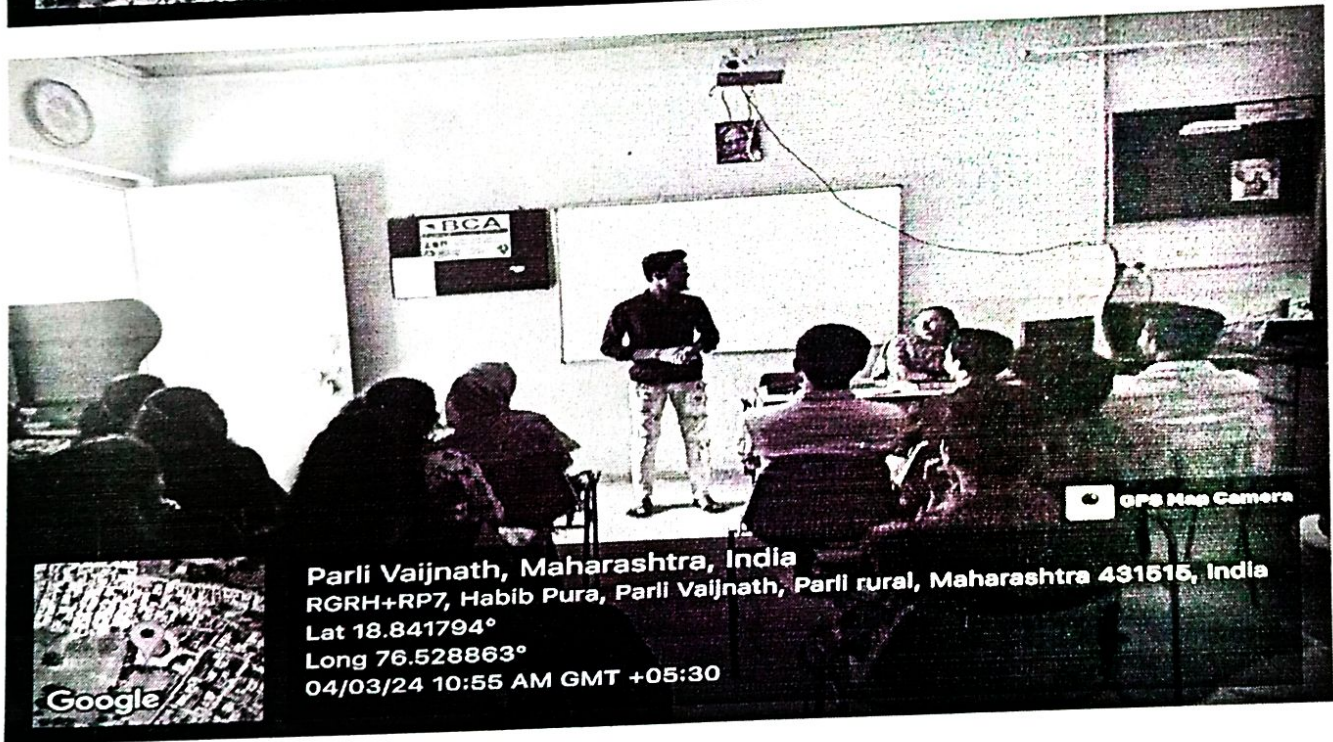

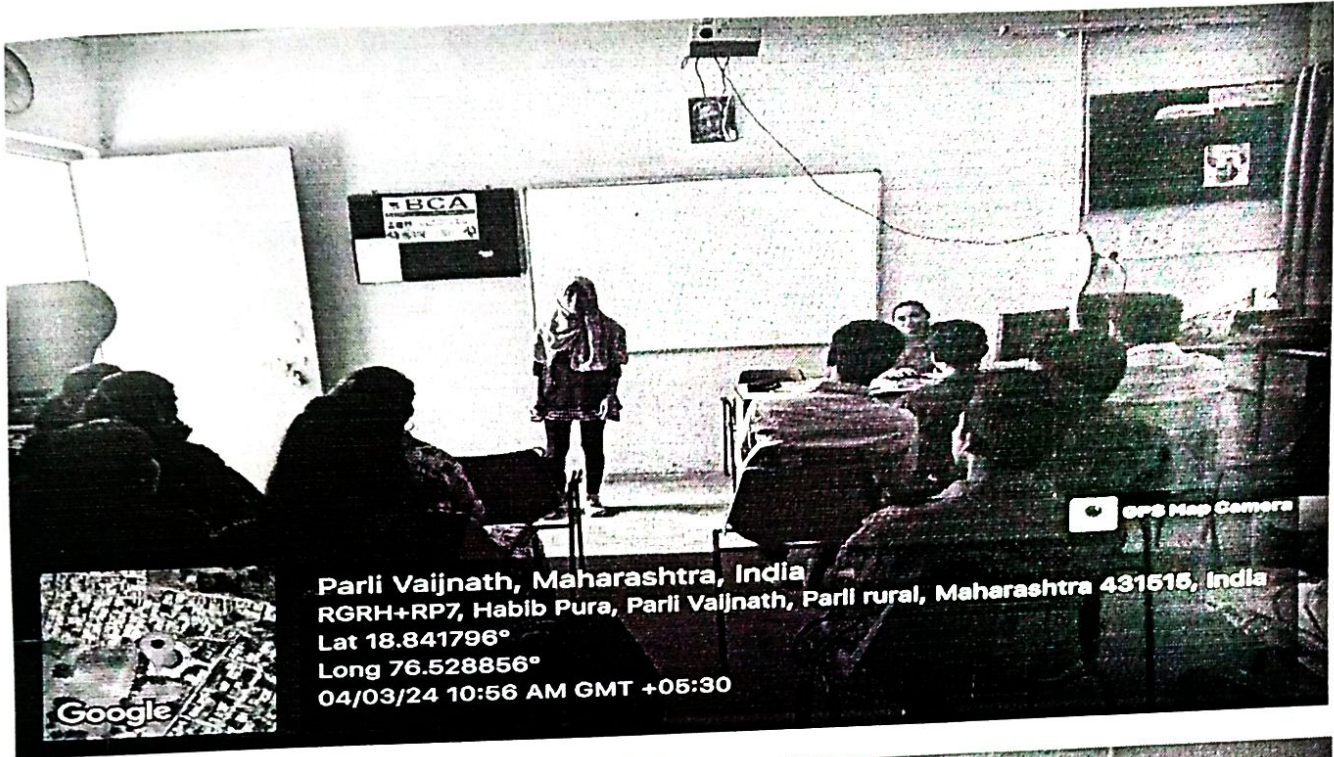

Conclusion and Vote of Thanks:
The seminar concluded with a vote of thanks extended to the speaker, faculty members, and participants. Students expressed their appreciation for the session's informative and inspiring content, and many voiced their intent to delve deeper into the field of AI and its applications.

Outcome:
The seminar succeeded in enhancing awareness among students about the groundbreaking potential of AI in healthcare and encouraged them to explore the intersection of technology and medicine further.

Notice

Seminar on "AI in Healthcare"

All students are hereby informed that the BCA Department is organizing a seminar on the topic *"AI in Healthcare"* to explore the impact of Artificial Intelligence on the healthcare industry.
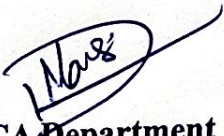

Details of the Seminar:

- **Date:** 4th March 2024
- **Time:** 10:00 AM
- **Venue:** Seminar Hall, Navgan College
- **Participants:** Open to all students

This seminar will provide valuable insights into AI-driven innovations in healthcare, including diagnostics, treatment, and ethical challenges. Students interested in technology and its applications in the medical field are encouraged to participate.

For registration, please contact the BCA Department Office by 2nd March 2024.

Don't miss this opportunity to gain knowledge and insights into a cutting-edge field!
