Department of Commerce

Online Webinar On Personality Development Programme

Department of Commerce organized on soft skill for Personality Development Online Programme 6th Feb 2024 which was led by Miss. Tumpa Sarkar resource person on the topic awareness program Personality Development Programme. Total students has attended above 54 in the webinar of the College. Miss. Tumpa Sarkar explained Personality development helps to pull out your capabilities and key strengths, providing you a better understanding of your inner self and aiding you to gain confidence to face the world. It grooms an individual to make a mark of his/her own by creating an individuality and setting an example for others around. Personality embraces moods, attitudes, and opinions and is most clearly expressed in interactions with other people. It includes behavioral characteristics, both inherent and acquired, that distinguish one person from another and that can be observed in people's relations to the environment and to the social group. Personality Development is like a journey where we learn about ourselves and how we act. It's about getting better and changing in different ways. Imagine it as a puzzle where some parts are inherited from our families, like how we look, and some of our behaviors. Personality refers to the enduring characteristics and behavior that comprise a person's unique adjustment to life, including major traits, interests, drives, values, self-concept, abilities, and emotional patterns. The introduction of the chief guest was given by Dr Chandre A.M. HOD of Commerce and vote of thanks was given by Dr. Puri D.S. Dept. of English.

COMMUNICATION SKILL PROGRAMME

On 13th December 2023

Organized by Dept. of English

Resource Persons: Prof. Ghate P. V. Dept. of English

Dept. of English Organized Communication skill programme for college students. This programme was based on the idea of focusing the importance of English as a global language and how to develop effective communication skills in English. It was meant for the undergraduate students who basically struggle to gain confidence and excel in this field which is a major issue in most parts of India and this region as well. Participants were introduced to the resource persons by the Host. The session started with the introduction on the topic and the importance of communication skills in personal and professional life. Participants were explained about the communication method and the process of effective communication, understanding the cycle of communication starting from the sender to the receiver of the message. As communication is key, knowing and understanding the filters and barriers that can hamper one's overall communication is a must. Participants were encouraged to practice active listening as it helps in overall communication skills. Focus was laid on the ways of how an individual communicates (spoken word, visuals, written word, body language and social media). Understanding that Communication is not only about spoken words it also deals with visual and vocal. Group activities involving communication skills helped the participants interact with each other. Videos to ensure that participants understand why communication is key and how it would enhance their quality of life were also shown.

Yoga and Meditation Activity

On 18th August 2023

Organized by Dept. of Sports and Physical Education

Dept. of sports and physical education successfully organized YOGA's demonstration, inside our college premises on 18th August, 2023. A few minutes of Yoga during the day can be a great way to get rid of stress that accumulates daily-in both the body and mind. Yoga postures, Pranayama techniques to release stress. Meditation is Relaxation which gives calm mind, good concentration. Yoga as exercise is a physical activity consisting mainly of postures, often connected by flowing sequences, sometimes accompanied by breathing exercises, and frequently ending with relaxation lying down or meditation. by organizing a special yoga session in which along with the Principal and Director awareness and ignite a passion for fitness and yoga among the students present day when students face stress, tension, fear, etc. More than with teaching and non teaching staffs have taken part and effectively performed the various hard and easy steps of Yoga under the guidance of the instructor Dr. Machale R U. and his two gentle and friendly trainees. The main aim was to raise awareness and ignite a passion for fitness and yoga among the students and teachers. In the present day when students face stress, tension, fear, etc., simple 'asanas' can help dispel these. The sessions were so intriguing that student couldn't resist themselves from asking questions and clearing all their doubts regarding health, fitness and nutrition. The sessions observed participation of over 100+ participants from almost every discipline.

Report on Guest Lecture: "AI and Financial Analysis"

Organized by the BCA Department, Navgan College, Parli Vajinath

Date: 2nd September 2023

Participants: 60 Students

The BCA Department of Navgan College, Parli Vajinath, organized a guest lecture on the topic "AI and Financial Analysis" on 2nd September 2023. The session was conducted by **Dr. V.V. Munde**, Head of the Department of Computer Science, Vaidyanath College of Arts, Commerce, and Science, Parli Vajinath. The lecture aimed to provide students with insights into the intersection of Artificial Intelligence (AI) and financial analysis, a rapidly evolving field.

Highlights of the Lecture:

1. Introduction to AI in Finance:

Dr. Munde began the session by explaining how AI is revolutionizing the financial sector through predictive modeling, risk assessment, and fraud detection.

2. Applications in Financial Analysis:

The lecture highlighted practical applications of AI, including automated trading systems, portfolio management, and credit scoring. Case studies of AI-driven financial tools were discussed to provide real-world context.

3. Hands-On Insights:

Dr. Munde introduced students to algorithms and tools commonly used in financial analysis, encouraging students to explore them further.

4. Q&A Session:

An interactive Q&A session followed, where participants actively discussed the implications of AI in reshaping traditional financial systems. Topics such as ethical concerns and job displacement were also explored.

Outcome:

The session was attended by 60 enthusiastic students who gained a deeper understanding of how AI is transforming financial analysis and decision-making processes. Many students expressed their interest in pursuing projects and further studies in this domain.

Conclusion:

The BCA Department extended a vote of thanks to Dr. V.V. Munde for delivering such an engaging and informative lecture. The session successfully broadened the students' horizons on the potential of AI in the financial sector.
